

MANCHESTER SCHOOL OF ARCHITECTURE

AGENDA:

Create a series of sustainably built spaces connecting with the existing outdoor learning environment that interacts with the five senses for the pupils of St. Mary's Levenshulme Primary School.

COLLABORATOR:

Our event collaborates with St. Mary's Levenshulme Primary School. This will involve working with a member of staff and their pupils to come up with ideas and what they would like to see on this short walk.

SKILLS:

- Model-making
- Painting
- Research into innovative ways of using sustainable materials
- Conversing with clients.
- Presenting
