

## LGBT+ Centre

### Agenda:

'Our Proud Past' is a collaboration between the MSA and The Proud Trust, in which we will "takeover" Archives+ in the Manchester Central Library. Over the 2 weeks, we will be curating a digital exhibition to celebrate the rich history of Manchester's LGBT+ Centre. We will have the opportunity to collaborate across year groups and with other students of the Centre. While the end product of the fortnight will be purely digital, we will also use the work produced in a physical exhibition, taking place in Summer 2021.

### Skills:

This project will provide you with an opportunity to learn about the rich history of the LGBT+ community in Manchester. We will be curating a Digital Exhibition, which will allow you to use and learn various softwares, including but not limited to; InDesign, Photoshop, Illustrator, Sketchup and video editing software. You will build on your research and analysis skills and have the opportunity to work on various social media platforms.
