

MANCHESTER SCHOOL OF ARCHITECTURE

URBAN ACUPUNCTURE

AGENDA

Manchester School of Architecture's live project 2022 looks into collaborating with the Charitable Incorporated Organisation, Castlefield Forum. The aim is to contribute to Castlefield as a locality, whilst conserving and enhancing its heritage assets, for the benefit of the community and visitors. Participating students will engage in the live project by doing data analysis, mapping existing urban conditions, and proposing place-making interventions to bring the community together.

SKILLS

The participating students will use media ranging from sketching to digital softwares to showcase the design ideas and research. The softwares include AutoCAD, Sketch-up and Adobe Suite.
