

# MANCHESTER SCHOOL OF ARCHITECTURE

COLLABORATORS

Commoners Housing Co-Operative

## CO . LIVING

### SKILLS

Students will learn and develop skills about graphic design, sketching and model making and will also be involved in interacting with clients throughout the project.

### AGENDA

Join our CO-living group ! We are a student led team aiming to create a **sustainable, intergenerational, family-friendly** housing cooperative in the heart of Fallowfield. Based on our knowledge of architecture, we will express our concept through painting, graphic imagery and other forms of expression to create a truly friendly community for our clients.
