John Dollosa

Skills:

Sketchup
Visual Rendering
Photoshop

Indesign
Model Making
Virtual Reality

Agenda:

Save Hulme Hippodrome aim to safeguard the building and halt further deterioration through preservation and restoration of its essential features. It is visioned to facilitate various self-sustaining cultural and community-based activities, providing learning opportunities and other experiences to the people of Hulme and Manchester for another 120 years. Different spaces host a mix of uses, including a café, library, bakery, employment academy, production academy, museum for music and art, and co-working spaces.
