

**MANCHESTER SCHOOL  
OF ARCHITECTURE**

# THE CYCLE -PATHS

PRESENTS  
**CHORLTON BIKE DELIVERIES**

**BIKE LOAN SERVICE  
BIKE WORKSHOP  
COMMUNITY HUB**

## AGENDA

We invite you to join us in the design of a new bicycle hub for Chorlton Bike Deliveries. With a £5000 investment already secured and strong council backing, we will be working closely with our clients at Chorlton Bike Deliveries alongside shortlisted architects of the year Architects Unknown to deliver a design scheme. The scheme is to include a proposal for a bike loan service, bike workshop, community room and fundamentally, a storage space to house the bikes used for the charity's delivery service to facilitate the charity's rapid expansion.

## SKILLS

- Photoshop & Indesign
- AutoCad
- 3D modelling software
- Rendering software

## TEAM

Daryl Lee: physical modelling  
Jiawei Liu: 3D modelling  
Karishma Dayalji: 3D modelling  
Leona Somerville: drafting & visuals
