

# MANCHESTER SCHOOL OF ARCHITECTURE

Get ready for an exciting adventure at Oswald Road Primary School in Chorlton! We are gearing up for an unforgettable workshop where children will transform into architects for a day, exploring and expanding their creativity by redesigning their neighbourhood through three engaging modes. Whether you're a crafty DIYer, tech-savvy or simply passionate about empowering young minds, your support is invaluable. Together, we'll create an enriching experience that fosters a sense of belonging and ownership over everyday spaces for these children. Come be a part of something truly special as we play, create, and inspire the architects of tomorrow!
