

MANCHESTER SCHOOL OF ARCHITECTURE

CALLING OUT TO DESIGN A

Agenda:

Join us in designing a new Hub for Bolton Mountain Rescue Team! This project will create concept designs for a modern base with improved storage, training spaces, and rescue vehicle facilities. Your work will directly support the team's life-saving operations and enhance community outreach. Be part of a meaningful project that boosts emergency response capabilities and public education and make a real impact!

Skills:
Teamwork
Problem Solving
SWOT Analysis
Model Making
Digital Modelling
Computational Design
