BOWLS to BLOOMS

MONTON UNITARIAN CHURCH

Bowls to Blooms is an initiative for the design and creation of a new community garden on the unused Boddan lodge grounds, an ex-bowls green next to Monton Unitarian Church. This project is supported by the Monton Church Committee and reverend, to design a wonderful space that can be utilised by all members of the wider community as well as the church members. Manchester Urban Diggers will also provide their valued input and knowledge from creating community gardens.
