

# MANCHESTER SCHOOL OF ARCHITECTURE

## THE HULME BLUEPRINT

We're teaming up to transform Hulme Park into a more exciting and community-friendly space! This is all about bringing together creative minds to brainstorm, design, and bring ideas to life. To spice things up, we're throwing in a fun design competition—you'll be split into teams and challenged to create the most impressive visuals for the park. The winning team gets bragging rights and a £10 voucher per person (because who doesn't love free stuff?). And of course, no great design session is complete without food—so we're wrapping it all up with pizza, good vibes, and some well-earned chill time!

No magic wands needed, but a little tech wizardry wouldn't hurt! If you know Lumion, Enscape, Vray, or Illustration, great! If not, just fake it till you make it (or bribe a teammate with pizza). Teamwork, creativity, and humor are the real MVPs—so bring your A-game and let's make some design magic happen!
