

# MANCHESTER SCHOOL OF ARCHITECTURE

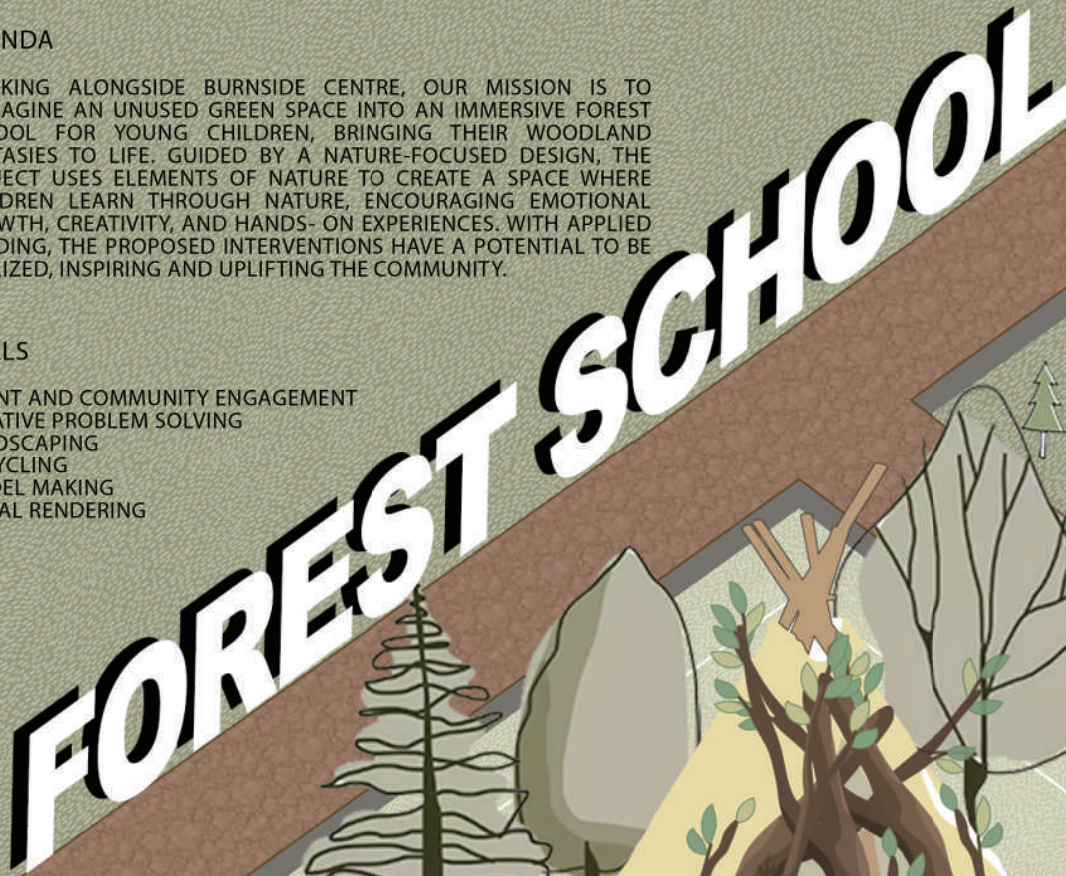

## AGENDA

WORKING ALONGSIDE BURNSIDE CENTRE, OUR MISSION IS TO REIMAGINE AN UNUSED GREEN SPACE INTO AN IMMERSIVE FOREST SCHOOL FOR YOUNG CHILDREN, BRINGING THEIR WOODLAND FANTASIES TO LIFE. GUIDED BY A NATURE-FOCUSED DESIGN, THE PROJECT USES ELEMENTS OF NATURE TO CREATE A SPACE WHERE CHILDREN LEARN THROUGH NATURE, ENCOURAGING EMOTIONAL GROWTH, CREATIVITY, AND HANDS-ON EXPERIENCES. WITH APPLIED FUNDING, THE PROPOSED INTERVENTIONS HAVE A POTENTIAL TO BE REALIZED, INSPIRING AND UPLIFTING THE COMMUNITY.

## SKILLS

CLIENT AND COMMUNITY ENGAGEMENT  
CREATIVE PROBLEM SOLVING  
LANDSCAPING  
UPCYCLING
