# SEEDS TO SEATS

We're teaming up with the Friends of Worthington Park to breathe new life into the orchard! Withington Park is a large Green Flag Award winning public garden in Sale. Our project, Seeds to Seats, aims to turn a currently overgrown area into a welcoming green retreat for everyone in the area. Alongside volunteers of the park, we'll be adding comfortable seating, planters, and composting stations, we're creating a space designed for gathering, growing, and relaxing. Whether you're a dog walker or a local resident, this transformation will offer a thriving new accessible, welcoming spot to connect with nature and neighbours.
